House Appropriations Request FY 2011

Project Name: City of Creedmoor's USDA Rural Utilities Service Eligibility Extension
Recipient: City of Creedmoor
Recipient Address: City Hall
P.O. Box 765
Recipient City: Creedmoor
Recipient State: NC
Recipient Zip: 27522

Amount of Request: Language

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):

Continuing eligibility for the City of Creedmoor to receive loans and grants funded through the USDA's Rural Utilities Service's Rural Water and Waste Water Disposal Program would be beneficial not only to the residents of Creedmoor, but also neighboring counties and communities through lessened environmental impacts on the impaired watershed. Creedmoor has been using the eligibility that it has had in this program since 2005 to help finance critical water infrastructure repairs and improvements to the community's water and sewage system. Creedmoor has several rural development initiatives coming to completion and needs the short eligibility extension to complete them.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
